From the Principal's Desk...

If one expects students to do well on a particular task, for example a Provincial Achievement Tests (PATs), then it is important to give students the opportunity to practice that type of task. That is one reason why I encourage participation in field testing PATs, and this year being no exception, grade 6s will be field testing a number of PATs, some electronic and some traditional (paper and pencil) format. Students will be participating with field testing Language Arts – both parts A and B, Math – both parts A and B, Social Studies and Science.

I would like to express my thanks and appreciation to the outgoing School Council and Parent Association Executive and congratulations to the newly elected/re-elected Executives. Please remember that your School Council and Parent Association work hard for the benefit of all students in the school. It is through the dedication of these people, and the entire community's generous support, that events like the Oil Kings night, Mundare Sausage Orders, Spring planter baskets or the upcoming Water Park fundraiser do so well. I'd also like to remind you that all parents are welcome at any School Council and Parent Association meetings. Please come and share your thoughts and ideas.

By the time you read this, our annual "Coffee Drive Through" will be over. But I do hope that you were able to stop by and get a coffee and donut. Over the last three years, I've been consistently impressed with the level of volunteerism that Woodbridge Farms parents, grandparents and family demonstrate. From filling the roster for hot lunch, or accompanying field trips, we couldn't do this without you, and please know that your contributions are gratefully appreciated. The Spring Family Dance was a tremendous success and students had a lot of fun! Judging by the line-up, the photo-booth was a tremendous hit.

At last week's School Council meeting I shared information about fees, budget forecast, school configuration and Accountability Pillar results. Noon supervision fees will see a small decrease next year. Agendas will be available. This is an optional item and is not part of the regular school fees. Due to a bulk order by the district, we are able to have agendas at a very significantly reduced cost. The price for agendas should be \$3 each. Our accountability pillar results show some excellent progress and gains. While this year's PAT results (naturally) won't be available until October, the Accountability Pillar surveys completed by grade 4 parents and students and teachers are now released. Parental involvement, which was rated as "concern" last year has improved by 13% and is now rated as "excellent". Again, I have to thank parents for their contributions and for completing the surveys. The topic with the most discussion was the configuration. The plan for next year does have combined classes, however we believe it will give us the most flexibility by maintaining as small class sizes as possible.

We are well into our spring staffing process, and there are many changes to inform you about. Please see the section later in the newsletter with up-to date staffing changes. As of right now, there are still some decisions to be made. For example, there will be a new Assistant Principal for next year.

This is good practice because students will be able to work on questions just like the ones they'll be answering in June.

SCHOOL SUPPLY LISTS

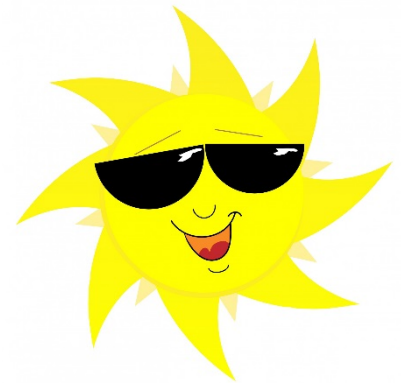

School supply lists for 2018-2019 are now posted on the school website.

<http://woodbridgefarms.ca/parents/supply-lists> While items such as Kleenex are no longer on the school supply list, if you would like to donate some facial tissue to the school/your child's class, that would be welcome.

STUDENT DRESS CODE

The arrival of warm weather is a good opportunity to review the student dress code. In general, acceptable dress is in keeping with the students' "work day". Students are expected to dress in a neat and appropriate manner for school and weather conditions. After all, this is a place for teaching and learning. Students should refrain from:

- Bare midriffs
- Offensive/inappropriate sayings or pictures on T-shirts
- Wearing hats in the school
- Students wearing sundresses may wish to wear shorts under sundresses

2017-18 EIPS PARENT SURVEY RESULTS REPORT

The results are now available for the 2017-18 EIPS Parent Survey conducted in March. Thank you to all families who took the time to share their feedback with the Division. The survey included 20 questions related to the three priorities outlined in the EIPS 2015-18 Three-Year Education Plan:

- Priority 1: Promote growth and success for all students
- Priority 2: Enhance high-quality learning and working environments
- Priority 3: Enhance public education through effective engagement, partnerships and communication

The overall Division results represent 2,918 responses from parents and guardians across EIPS, which is an increase from 2,678 responses the previous year.

The feedback gathered will help EIPS schools and the Division measure its progress toward meeting the priorities and goals outlined in the EIPS 2015-18 Three-Year Education Plan and develop strategies to better serve students and the wider community moving forward.

Complete Parent Survey results for the Division are available by visiting www.eips.ca/about-us/planning-and-results/parent-survey.

LITTLE ELK ISLAND ADVENTURE: REGISTRATION

Elk Island Public Schools is once again running Little Elk Island Adventure, a fun and informative program for **first-time school bus riders**.

Annually, Student Transportation offers the Little Elk Island Adventure to new riders and their parents. The program's aim is to help ease any anxieties a family may have about riding the bus before even starting school. Through a series of activities, riders learn about: school bus safety, danger zones, tips on boarding and how to sit properly on the bus. After that, both the children and parents hop on the bus to practice what they've learned and then venture out on a short ride.

The Little Elk Island Adventure is for **first-time school bus riders** entering the 2018-19 school year. Sessions and times are available at these locations:

Location	Date	Time
EIPS Central Office	August 21	6 p.m.
EIPS Central Office	August 23	10 a.m.
EIPS Central Office	August 23	6 p.m.
EIPS Central Office	August 27	6 p.m.
EIPS Central Office	August 29	6 p.m.
SouthPointe School	August 28	6 p.m.

EIPS Central Office is located at 683 Wye Rd., Sherwood Park

SouthPointe School is located at 11 SouthPointe Blvd., Fort Saskatchewan

Space is limited and pre-registration is required. To register for a Little Elk Island Adventure, visit <https://goo.gl/forms/b0svKmWAoqHRSvZs2>.

STUDENT TRANSPORTATION SERVICES FOR 2018-19

Planning to use Student Transportation in the 2018-19 school year? If so, make sure your child is registered so Elk Island Public Schools (EIPS) can plan routes and send your child a bus pass before the first day of school.

All students who indicated needing transportation services through the pre-enrolment process are now registered. Those families have also received tentative route schedules and invoices—all fees are due June 30, 2018.

For those students who didn't indicate needing transportation service through the pre-enrolment process and want to now register, simply contact EIPS Student Transportation at 780-417-8151 or email st@eips.ca.

For more information about EIPS Student Transportation visit www.eips.ca/transportation.

NOTE: Fees can be paid online using the [PowerSchool Parent Portal](#) or in-person at the Student Transportation office—683 Wye Rd., Sherwood Park. The office will remain open during the summer months operating during the same hours as Central Administration.

SCHOOL SUPPLY LISTS FOR THE 2017-18 SCHOOL YEAR

New next year, Elk Island Public Schools (EIPS) is adopting a Divisionwide school-supply list to lift some of the financial burden from families. Each grade will now have a standardized list of required supplies to complete the year to ensure families aren't purchasing materials in excess of what is being used in the classroom. The grade-specific lists are posted to the school website and will remain throughout the summer months.

TOOLS FOR SCHOOL

Woodbridge Farms has once again partnered with the United Way for the 2018-19 Tools for School campaign. Annually, Tools for School provides backpacks and school supplies to students in Kindergarten through Grade 12 whose families have limited resources. If you're a parent or know a parent who needs access to the program, contact our school directly. We'll discretely provide the backpack to your child at the beginning of the 2018-19 school year.

Alternatively, if you'd like to donate to the program, you can pick up few extra supplies when you're out shopping for back to school. Drop-off boxes are located at various businesses in the community during the summer months—including Staples and the Central Office at Elk Island Public Schools. All supplies donated within our community are invested back into in our region.

For more information about Tools for School, contact Mrs. Davies or Mrs. Wells at 780-464-3330 or call the Central Office at 780-464-3477.

SHARE YOUR THOUGHTS: PROVINCEWIDE STUDENT TRANSPORTATION SURVEY NOW OPEN

Currently, Alberta Education is conducting a survey regarding student transportation. Parents, school authorities and stakeholders are asked to take the survey. The feedback received will help determine if changes need to be made to the distance criteria, mandated service levels and the safety considerations. When completing the survey keep in mind the government has said there is no more money for Student Transportation, which means if something new is funded something else may be lost. **The survey closes June 15, 2018.**

To take the survey and learn more visit www.eips.ca.
