2018-2019 PLANNING

As noted, staffing will be part of the changes happening for next year. With 130+ fewer students (roughly 1/3 fewer), we are anticipating 1/3 fewer staff members. Between our reduction and the new school opening, there may be quite a few staffing changes for next year. We simply don't know with certainty yet who will be here. Due to the uncertainty of staffing and changes, we will not be accepting class requests for next year. We will do our best to keep you updated as to the staffing changes.

PROVINCIAL CURRICULUM PARENT INFORMATION SESSIONS

The provincial government and its partners are requesting parent and guardian feedback on the draft K-4 provincial curriculum. Twenty face-to-face meetings will be held in school communities across Alberta from **May 31 to June 14, 2018**. Each session is limited to 100 participants.
